2010 Schedule and Results

Qualification rules are the same as last year. To qualify for the 2010 Southeast Series, you must ride in at least two non-National Southeast DT rounds, and you must ride on two different days.

Note that the schedule has been revised to remove the two rained out events at Aonia Pass (April 24th) and to add a new round at Carnesville on October 2. The new Carnesville event will be a SEMDTRA event with AHRMA support classes -- same format as the March 27 event at Carnesville.

TT events are part of the southeast dirt track series. Points earned in TT events count toward dirt track season standings.
